4. [ ] Received a call from Mr. Thad Murray, Executive Assistant to Senator William Spong (D., Va.), who told me that the Senator will be travelling overseas and will be doing studies relating to the dope traffic. He is considering calling [ ] a Yale Ph. D. candidate, as a witness but understands that the Agency has some problems with [ ]. I told Mr. Murray that in a word [ ]'s information is somewhat dated and in consequence is misleading and inaccurate. I agreed to come by and talk to him tomorrow afternoon at 2:00 p.m. on this subject. 25X1A

6. [ ] Met briefly with Ed Braswell, Chief Counsel, Senate Armed Services Committee, and left with him a draft of our proposed report to the Senate Committee on Government Operations on S. 3529, a bill which would establish certain reporting requirements for the various committees and commissions of Government departments and agencies. I asked Braswell if he would take a look at this at his earliest opportunity and let us know if he had any reservations or comments about it.

7. [ ] Met with Charles Kendrick and Cheryl Klein, in Senator Dominick's office, on the Senator's amendment to strike section 515 of S. 3390, Foreign Assistance Authorization bill. They informed me the Senator introduced the amendment, No. 1257, this morning and had sent a "Dear Colleague" letter to more than half the members of the Senate. They gave me copies of the letter, the amendment, and the draft of the Senator's statement on the amendment which he will use when it is called up. They said it appears now it will be called up Thursday afternoon or possibly later and they would let me know when an agreement has been reached on the date and time allotted for debate.

I also mentioned to Woodruff we had drafted a report on S. 3529 having to do with Government committees and commissions and told him I would drop a copy off for him to take a look at.

I brought Woodruff up-to-date on the progress we were making on the Dominick amendment to strike section 515 of S. 3390, Foreign Assistance Authorization bill. I asked him about approaching Senator Ellender to get his support for this and he recommended I talk with either C.B. Morrison or James Guirard, of the Senator's personal staff. I subsequently talked with Morrison and gave him a copy of our summary on this section. He said he would retain it for reference in the event Senator Ellender asked him about Senator Dominick's amendment, but said if we thought Senator Ellender's vote was important the Director ought to give the Senator a call. I told Morrison the Director hesitated to bother the Chairman unless it was absolutely necessary, but said we would give this consideration.

Briefed Woodruff on Soviet preparations for a new Soyuz space mission and new evidence pertaining to one of China's MRBM launch sites.

I asked Woodruff when he expected the Committee to make final decisions on the intelligence community budget. He said not until late in July, adding that they will know about a week before the House committee reports the bill out what cuts the House will make and the Senate Committee will then make its decisions. This information has been passed on to [REDACTED] 25X1A

10. [REDACTED] Called Ed Braswell, Chief Counsel, Senate Armed Services Committee, to give him the number of Senator Dominick's amendment and the latest information as to when it would be called up. Braswell said that because of a heavy Committee schedule Senator Stennis might not be able to get to the floor when the amendment is called up, therefore he might decide to make a statement on the amendment some time tomorrow.

11. [ ] advised that he met with 25X1A  
Senator Jackson and staff members William Van Ness and Grenville Garside  
to discuss Middle East oil situation and other world energy developments.  
He said the session went well and involved no information of a sensitive  
nature. He said it was possible, however, we might receive followup  
contacts from Van Ness or Garside (who will be the staff man handling  
Jackson's Interior and Insular Affairs Committee hearings on this subject)  
for further information, much of which is available from OER. I said there  
was no indication Senator Jackson intends to involve the Agency in any formal  
proceedings on this topic.

25X1 12. [ ] Called Bob Mosbacher, in the office of  
Senator Howard Baker (R., Tenn), concerning speech material for the  
Senator's use to support the striking of new Section 515 from the Foreign  
Assistance Authorization bill (S. 3390) since Senator Eastland (D., Miss.)  
will be using our prepared statement "Tying the Hands of the President..."  
etc. Mosbacher will draw upon the other material we gave him for a  
statement to make the point that at this moment in history the Congress  
should not fetter the President's support of ongoing operations. 25X1

25X1 [ ]

25X1 14. [ ] Dick Schultz, House Internal Security  
Committee staff, called on behalf of [ ] a relative of Chairman  
Ichord, who had submitted a personnel application to the Agency. Schultz  
25X1A said that [ ] has several offers pending but would prefer to work with the  
Agency and asked if we could check the status of his application. 25X1
